Tour The Faribault Woolen Mill

See the mill in operation on a workday. Meet by the Mill Store, 1500 NW 2nd Avenue in the parking lot by the Cannon River.

No cost

“Founded on the banks of the Cannon River in Faribault, MN, the Faribault Woolen Mill is a living testament to American craftsmanship. Founded in 1865, the year Lincoln died and the Civil War ended, Faribault woolens are renowned for their comfort and quality. From providing woolen blankets for pioneers heading west to comforting our troops through two world wars, our woolens are woven into American history.” <http://www.faribaultmill.com/our-heritage>
